

## **Safest / Least Safe Discussion Starter**

Ask participants to rank the cards in order from safest to least safe and discuss issues arising. The following is an example layout and not an ideal arrangement.

<b>Safest</b>
Abstain from sexual intercourse
Show affection without having sexual intercourse (kissing and intimate touching)
Get tested for HIV
Have only one sexual partner
Use a condom every time you have sex
Know the other person's sexual history
Reduce the number of sexual partners
<b>Least Safe</b>

## **Safest**

Abstain from sexual intercourse

Show affection without having sexual intercourse (kissing and intimate touching)

Get tested for HIV
