

STAFFORDSHIRE Buddies

The HIV Charity for Staffordshire

Volunteering

Volunteers are critical to **Staffordshire Buddies**. We couldn't do all of the good work that we do without the help of our dedicated team of volunteers who give freely of their time. We offer our volunteers experience of work in a variety of roles, social networking, an in- depth structured, yet friendly training course on HIV and related matters.

Interested? Then read on....

Staffordshire Buddies currently has more than a dozen different volunteer roles ranging from Office Support to Buddying (Befriending), facilitation of 'Drop in' groups for clients, to providing transport to hospital, plus many other roles. These can be based either at our Hanley Office, Lichfield Office or in the community.

Please note, due to the Training Requirements if you are not able to commit to a minimum of 12 months volunteering with us you should think carefully about whether to apply.

The training given is done at the volunteers own pace and is supported by a mentor throughout the entire process.

Registered Charity No. 1047375
